

Unit 4

Building Vocabulary

Semester 2 - Advanced communication and Interpersonal Skills

(03010002HM01)

Part 2

Learning Objectives

By the end of this unit, students will be able to:

1. **Understand and apply** word meanings in appropriate contexts for effective communication.
2. **Identify** and use synonyms, antonyms, and related word forms to enhance expression and precision in professional language.
3. **Differentiate** between homonyms, homophones, homographs, and idioms to avoid common language errors.
4. **Apply** vocabulary strategies in reading, listening, and speaking tasks relevant to real-life and workplace communication.
