What is Grooming?

- “**Grooming** is the term used for how people take care of their *body, mind and appearance*. Self-grooming ranges from Personality grooming to Personal grooming. Grooming is typically defined as activities that include caring for one’s well-being and development.
- People often misunderstand *grooming with beauty*. In reality, grooming enhances our appearance, health and hygiene and most importantly, it helps us to build our self-confidence thus influencing our behaviour and emotions.” Reference

Components of Grooming

1. Personal Hygiene

- Adapting healthy habits:- *regular bathing, brushing teeth, wearing clean clothes, smelling fresh, clean hands and feet*
- **WHY IS IT IMPORTANT** : Boosts Confidence 
Positive Impression 

2. Hair and Nails

- Hair:- *well-trimmed, no oiling, clean, styled neatly, no messy look.*
- Nails:- *short, clean, trim regularly.*
- **WHY IS IT IMPORTANT** : Personal discipline 
Attention to detail 

Activity: Myth or Fact?

1. We should brush our teeth twice a day.”
2. “Your confidence is affected by personal hygiene ”
3. “Bathing once in two days is a hygienic habit.”
4. “Footwear is not the part of your groomed attire .”
5. “Sharing combs or towels with others is not a good habit.”
6. “Oiling hair heavily before going out looks professional.”
7. “Hair should always match your profession or role.”

Activity: Myth or Fact?

1. “We should brush our teeth twice a day.” FACT 
2. “Your confidence is affected by personal hygiene ” FACT 
3. “Bathing once in two days is a hygienic habit.” MYTH 
4. “Footwear is not the part of your groomed attire .” MYTH 
5. “Sharing combs or towels with others is not a good habit.” FACT 
6. “Oiling hair heavily before going out looks professional.” MYTH 
7. “Hair should always match your profession or role.” FACT

What is Netiquette?

- Netiquette combines *network* + *etiquette*, referring to the code of conduct for online communication and behavior. [Reference article](#)

Practicing netiquette helps you:

- Being respectful, responsible, and professional in all virtual interactions
- Avoid misunderstandings or conflicts

IMPORTANCE

1. Strengthening online reputation.
2. Communicating effectively online. [Reference article](#)

Remember: “If you wouldn’t say it face-to-face, don’t type it online.”

Core Principles of Netiquette

1. ***Be Polite and Respectful:*** use courteous language; polite tone.

Example: “Could you please send the report?”  “Send me the report now.”

2. ***Think Before You Post:*** Avoid offensive or emotional reactions online.

3. ***Use Proper Email Etiquette:***

- 1) Clear subject line.
- 2) Professional greeting and closing
- 3) Concise, well-structured message

4. ***Respect Privacy and Boundaries***

5. ***Be Professional in Virtual Meetings:***

- 1) Join on time, dress appropriately
- 2) Mute when not speaking
- 3) Maintain eye contact through the camera.

6. ***Acknowledge and Respond Promptly:*** within 24 hours.

Activity: Email Makeover

Subject: Need report urgently!!!

Body:

Hey,

I told you to send that report yesterday. I need it ASAP.
Don't make me remind you again.

Thx,
Riya

Activity: Email Makeover

Professionally Written Email

Subject: Request for Updated Project Report

Dear Arjun,

I hope you're doing well. Could you please share the updated project report by the end of the day? It's required for the client meeting tomorrow.

Thank you for your time and support.

Best regards,
Riya Sharma

Learning Outcomes

At the end of this session, students were able to:

1. Demonstrate professional grooming and maintain an appropriate personal appearance in formal and workplace settings.
2. Exhibit confident body language and positive non-verbal communication during interactions.
3. Apply self-introduction techniques effectively to create a lasting professional impression.
4. Develop self-awareness and interpersonal skills for improved workplace relationships.
5. Reflect on personal strengths and areas for growth to enhance overall personality development.
